

Children's Antioxidant Berries Plus™

by CEDAR BEAR NATURELES®

Great Tasting 100% Alcohol-Free Liquid Herbal Products

Natural Antioxidant Supplementation Especially for Children

Antioxidants help protect our children's health, but how do you know that your child is getting the antioxidant protection she needs?

WHY ANTIOXIDANTS ARE IMPORTANT FOR YOUR CHILD'S HEALTH

Antioxidants help to maintain the health of the body's cellular makeup by destroying free radicals, which are highly reactive charged molecules that destroy vital cellular substances and damage even a child's health.

Free radicals come from our environment in the form of fatty diets, exposure to smoking, sunshine, processed foods, and toxins such as herbicides, pesticides, and air pollution. Free radicals are also a result of the normal oxidation processes within the body and added stress.

Antioxidants trap, deactivate and destroy free radicals, preventing the damage they can cause. A wide variety of antioxidants are necessary for the body to repair free radical damage, to overcome health imbalances, and to stay well.

Children's Antioxidant Berries Plus™ by Cedar Bear Naturales® is one of the richest herbal sources of easily assimilated antioxidants available, not only because of the wide variety of antioxidant action herbs and fruits used, but also because of the unique TincTract® process that uses only whole herb parts and suspends them in a liquid form that a child's body can easily absorb and utilize. And it tastes so yummy that children absolutely love it!

We all know how easy it is for children to come down with sniffles and sneezes. This formula is specifically made to help protect their sensitive bodies from exposure to common health problems. The herbs used in Antioxidant Berries Plus™ are rich in ascorbates, flavonoids, free radical scavengers and immune building agents, with the added boost of mBI™ Liquid Trace Minerals. Together they make a powerful formula for building overall health, helping them stay well, and in helping to overcome symptoms quickly.

CONTAINS: European elder berry, lycium berry (goji berry/wolfberry), rose hip, hawthorn berry, green tea leaf, schisandra berry, ginkgo leaf, milk thistle seed, bilberry fruit, sour cherry fruit, European elder flower, hawthorn leaf, rose flower, mBI™ Liquid Trace Minerals in a kosher vegetable glycerin/purified water TincTract® base.

SUGGESTED USE: 1/4–1/3 teaspoon (1.23–2 ml) 1 to 3 times daily, depending on age and size of the child and need. Increase amounts during times of stress or immune challenge.

MORE ABOUT THE HERBS IN THIS FORMULA:

- European Elder berry (*Sambucus nigra*) is high in potassium and flavonoids, and helps immune systems handle a variety of challenges, including environmental pollutants. This herb is often used to help overcome cold symptoms and get well faster.

- Lycium Berry [Goji Berry/Wolfberry] (*Lycium barbarum spp*) have high levels of ascorbates and complex flavonoids and beta-carotene, strongly antioxidant/immune system fortifying.

- Rose hip (*Rosa canina*) are high in bioflavonoids, tonify the respiratory system and have a mild diuretic action.

- Hawthorn Berry (*Crataegus laevigata*) has flavonoids that aid the antioxidant activity of the other herbs.

- Green Tea Leaf (*Camellia sinensis*) is a healthy adrenal tonic and contain high amounts of antioxidant flavonoids that tonify the cardiovascular system.

- Schisandra Berry (*Schisandra chinensis*) is a glandular tonic that has antioxidant and immune building properties.

- Ginkgo Leaf (*Ginkgo biloba*) is high in antioxidant flavonoids and also tonifies and supports cerebral/circulatory (brain) activity.

- Milk Thistle Seed (*Silybum marianum*) has liver healing/restorative qualities and a complex flavonoid that tonifies the liver and its immune responses.

- Bilberry (*Vaccinium myrtillus*) is high in ascorbates and antioxidant flavonoids for the respiratory and urinary systems.

- Sour Cherry (*Prynus spp.*) is high in potassium and potassium sulfate and is one of the best liver cleansing tonics known.

- European Elder Flower (*Sambucus nigra*) cools the liver and moderates gallbladder activity as it works in synergy with antioxidant and flavonoid rich herbs in this formula.

- Hawthorn Leaf (*Crataegus laevigata*) fortifies the actions of both hawthorn berry and green tea leaf.

- Rose Flower (*Rosa gallica*) contain relaxing aromatic components and a mild non-specific pain relieving salicin-like agent that relaxes respiratory tightness and the cardiovascular system.

- mBI™ is a proprietary, micro-fractionated liquid trace mineral made using the exclusive CBN Citritol™ process.

WORKS WELL WITH ALL CBN™ FORMULAS.

Item #201 2 oz; #202 4 oz; #203 8 oz

Adults/Teens: Item #301–2 oz, #302–4 oz, #303–8 oz
