BUILDS HEALTHY DIGESTIVE SYSTEMS AND IMMUNE SYSTEMS FROM THE INSIDE OUT

These days many children have some form of problems with their digestive systems. A child's digestive system is the foundation of her health. If the digestive system is compromised, then many regular body functions, such as the way the immune system works, become compromised. A strong, healthy digestive system supports a strong, healthy immune system.

Children's sensitive digestive systems can be damaged in many ways. Many children have had antibiotics multiple times in their short lives. Antibiotics are well known to kill off good bacteria in the digestive tract and damage the natural flora of the stomach and colon. Imbalances of the natural flora can also be caused when too many sugary foods and drinks are consumed, by viral infections, and even chronic stress. Digestive enzyme activity and normal stomach acids can become reduced so foods don't digest properly. Food allergies and many forms of autoimmune conditions can then arise.

Children's Digestive Build™ by Cedar Bear Naturales® stimulates the digestive juices and helps build digestive tract integrity, actions that benefit both the digestion of foods and effective, sustained immune responses.

This formula has a mild blood-purifying and cleansing action that is extremely gentle on the liver. Children's Digestive Build™ can be used for "spring cleaning" the digestive system, or even as part of a weight loss program. It may also be used for sluggish or congested digestive systems.

CONTAINS: Sarsaparilla root, burdock root, dandelion root, calendula flower, beet root, Oregon grape root, lemon peel, anise seed, mB!™ Liquid Trace Minerals, and an effective tonic-based Aromaceutical Blend in a kosher vegetable glycerin/purified water TincTract® base.

SUGGESTED USE: 1/4–1/3 teaspoon (1.23–2 mil) 1 to 3 times daily, or as needed. Use only under adult supervision.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Sarsaparilla Root (*Smilax aristolochiifolia*) is a general bitter tonic herb with blood cleansing action that is also known to increase digestive secretions.
- Burdock Root (*Arctium lappa*) is a well known blood cleansing and building herb that also soothes the stomach.

- Dandelion Root (*Taraxacum officinale*) promotes digestive secretions. The root of this common plant is a mild liver cleanser that is high in mineral electrolytes and has a moderate blood cleansing action.

- Calendula Flower (*Calendula officinalis*) is a mild liver tonic that balances the gallbladder while effectively soothing the liver. Calendula also soothes the tissues of the digestive tract.

- Beet Root (*Beta vulgaris*) contains an effective protein-digesting enzyme precursor, has a high mineral content, and tonifies the tissues of the digestive system.

- Oregon Grape Root (*Mahonia aquifolium*) stimulates digestion through the liver and gallbladder, has cleaning properties that helps rebuild the immune responses of the digestive system, and increases gastric digestive secretions.

- Lemon Peel (*Citrus limon*) is an excellent liver tonic that helps to re-establish the pH buffering system of the stomach and stimulates digestive processes.

- Anise Seed (*Pimpinella anisum*) has a gentle soothing action on many kinds of stomach complaints, gently stimulates appetite, clears gas, and relieves general spasms.

- mB!™ is a proprietary micro-fractionated liquid trace mineral supplement that enriches and assists important enzymatic processes.

- Cedar Bear Naturales® Aromaceutical Blend: Specially formulated to enhance this formula in stimulating and building digestive processes and liver functions relative to the digestive system, cleans the liver and enhances the production of digestive enzymes.
