Great Tasting 100% Alcohol-Free Liquid Herbal Products

## A Detoxifying Herbal Supplement for Clearing Toxins Naturally

Many of us know that exposure to toxic chemicals makes our children sick, but what we may not realize is that when environmental toxins and chemical poisons settle in their body tissues, these toxins continue to negatively effect their health.

Often, a child's health problems that seem to have no apparent cause are actually caused by toxins and foreign substances that, instead of being expelled from the body, have become absorbed and stored within it.

Besides being exposed to pollutants and chemicals in our water, air, cleaning chemicals in the home, and toxins outside in areas where children play, an additional way that toxins are introduced into our children's bodies is through vaccinations.

Now there is a natural, great tasting liquid whole herb formula for children that has been developed specifically for clearing environmental, vaccine, and toxic residues, even from deep within body tissues.

The herbs within Children's Enviro/Chem & Vaccine Detox•H™ work synergistically together to purify the blood and to protect and support organs of the body that are often negatively effected by toxicity, especially the liver.

This formula is high in antioxidants, which clear free radicals from the blood. (Free radicals are unbalanced molecules that damage health and cause illness.) It is also high in a broad spectrum of major and trace minerals that are essential to the body. When these minerals are missing, the body tends to absorb harmful substances to try to counteract the deficiency.

**CONTAINS:** Sarsaparilla root, European elder berry, chicory root, milk thistle seed, lemon peel, sweet goldenrod leaf/stem/flower, black walnut hull, burdock root, sage leaf, yellow dock root, yarrow flower, chaparral leaf/stem, usnea lichen, goldenseal root, mB!™ Liquid Trace Minerals in a kosher vegetable glycerin/purified water TincTract® base.

**SUGGESTED USE:** For Detoxification Program: 1/3–1/2 teaspoon (2–2.25 ml) 2 to 3 times/day for one to three months. For Maintenance Use: 1/4–1/3 teaspoon (1.23–2 ml) 1 to 2 times a day, or as needed.

### MORE ABOUT THE HERBS IN THIS FORMULA:

- Sarsaparilla Root (*Hemidesmus indicus*) is a general bitter tonic blood purifier, long used for clearing out toxins in the body and fatty tissues and, some have theorized, the bone marrow.
- European Elder Berry (*Sambucus nigra*) adds necessary potassium, calcium, organic iron, flavonoids and vitamin C and

helps the detoxification process through its mild laxative action.

- Chicory Root (*Chicorium intybus*) is a liver builder and protector with a slight cleansing and cooling action to the liver.
- Milk Thistle Seed (*Silybum marianum*) protects liver cells, has a mild antioxidant action, helps reduce non-specific inflammation in the hepatic system. Detoxifies and supports the liver.
- Lemon Peel (*Citrus limon*) assists in clearing toxic residues throughout the body. Has antioxidant vitamin C factors that clear the bloodstream of free radicals, cleanses and tones the liver.
- Sweet Goldenrod Leaf/Stem/Flower (*Solidago odora*) has a diuretic action that reduces inflammation, especially in the urinary tract. Helps clear toxic buildup and blockages from kidneys.
- Black Walnut Hull (*Juglans nigra*) are one of the richest sources of land-based iodine known, supporting the thyroid, and working as an effective blood and lymph purifier
- Burdock Root (*Arctium lappa*) is a blood-purifying herb that also has a soothing effect on the tissues of the stomach.

• Sage Leaf (*Salvia officinalis*) is an astringent tonic that works with the immune responses of the liver.

• Yellow Dock Root (*Rumex crispus*), an effective blood conditioner; helps to clear the nasal passages and respiratory tract.

• Yarrow Flower (*Achillea millefolium*) breaks up systemic congestion, stimulates the immune system, is strongly liver cleansing and is disinfecting to the upper respiratory tract.

• Chaparral Leaf/Stem (*Larrea mexicana*) is a blood purifier and liver cleanser with a strong antioxidant action in the body.

• Usnea Lichen (*Usnea barbata*) has strong and effective antimicrobial action.

• Goldenseal Root (*Hydrastis canadensis*) is a powerful immune stimulating herb with strong astringent qualities towards the mucous membranes, that pulls toxins from affected tissues.

• mB!™, a proprietary, microfractionated liquid trace mineral made using the exclusive CBN™ Citritol™ process.
