MORE ABOUT CEDAR BEAR NATURELES™ BTC™ ENERGETIC FORMULAS:

Cedar Bear Naturales™' line of energetic products with BTC™ signatures represents a whole new evolution in natural health care. (BTC™ stands for "Biologically Targeted Coherent" Energy). These products are based on homeopathic concepts of enhancing balance and supporting health by stimulating the body's own innate healing powers. Cedar Bear Naturales™' energetic formulas gently encourage the body to do more of what it is already trying to do – to create a healthy balance within itself.

Cedar Bear Naturales™ BTC™ Energetic Formulas contain complex homeopathic-based energy charges, glycerin and specially enhanced purified water, so there is little possibility of taking "too much." These formulas, like all Cedar Bear Naturales™ products, are totally alcohol free. In addition, the dense high-carbon structure of the fluid holds the energy signature in a much more stable form than is found in other liquid homeopathic or energetic preparations of any kind. They also taste good!

HOMEOPATHIC PRINCIPLES OF ENERGETICS

Hahnemann, the founder of homeopathy in the late 1700's, recognized that there is a Vivifying Force, embodied by the immune system, within the body that keeps the body in balance. Hahnemann believed, even back then, that stress, poor diet, lack of exercise, and inherited constitutional problems imbalance and repress this Vital Force and sometimes it needs support on an energetic level to help it rally its forces. The purpose of a BTC™ Energetic Formula is to help to energize the vital force of the immune system to be better able to do its job.

INGREDIENTS: Oxygen and laser enriched glycerated water (Kosher Certified glycerin), structured complex mineral blend, proprietary CBN™ complex BTC™ homeopathic-based energy signatures.

SUGGESTED USE: When using a BTC™ formula, spray 3–6 sprays under the tongue (or even on a child's face or other part of the body to gently rub in) and let it sit there for a minute or two before swallowing. Take as often as you feel the need. If it's every few minutes, that's fine.
