Great Tasting 100% Alcohol-Free Liquid Energetic Products

A New Approach to Balancing Energies, Emotions, and Well-Being

For extra help with specific emotional and health needs, Cedar Bear Naturales™ has developed several effective products that work on that energetic level of the body that we call the *Energetic Anatomy*™. These unique and effective products are created with the innovative *Biologically Targeted Coherent*™ (BTC™) Energy Signatures technology that target specific needs in the body in a focused manner. BTC™ products are based on a proprietary technology developed and formulated by LoR. Caarl (L. Carl) Robinson to work on the subtle energies of the body.

Cedar Bear Naturales™ takes a specially prepared liquid medium and specially charges it with a complex energy signature that gives it a homeopathic-like action. The liquid medium of a BTC™ Energetic Formula consists of an alcohol-free proprietary liquid base that contains Kosher certified vegetable glycerin, purified water, and mB!™ poly-colloidal Liquid Trace Minerals. This base is then oxygen enriched, laser activated and energetically potentized with a proprietary complex BTC™ energy signature specific to the particular formula.
