

Equine Daily Use & Recovery

by CEDAR BEAR NATURELES™

Great Tasting 100% Alcohol-Free Liquid Herbal Products

Vitamin/Mineral Replenishment for Recovery and Ongoing Health Support

Mineral deficiencies are at the bottom of many health and behavioral problems that horses experience. It takes a wide range of major and trace minerals to build and maintain healthy bodies, minerals that aren't readily available in most horse's diets, especially if they are not able to be turned loose to graze on a regular basis.

Like humans, our horses need a daily dietary major mineral and trace mineral supplement, especially when put under the demands of performance and heavy workouts. Equine Daily Use & Recovery by Cedar Bear Naturales™ fits the bill perfectly as a daily-use herbal formula that is one of the richest herbal sources of easily assimilated essential vitamins and minerals available. It is high in calcium, magnesium, potassium, silicon, manganese and many other additional vitamins and minerals necessary for building and maintaining general immunity, vitality, energy, and a healthy body, along with over 70 trace minerals essential to optimal health.

Equine Daily Use & Recovery formula helps your horse develop strong teeth and bones and reduces possible development of structural problems. The minerals in this formula also help build resistance to disease and speed healing of injuries, often helps reduce overactive behavior caused by hidden mineral deficiencies, works to rebuild and balance the stomach's delicate pH buffering system, as well as greatly benefiting the health of older or debilitated horses.

The reason that such a wide variety of positive results are being reported is because this all natural whole herb liquid nutritional supplement supplies a wide variety of essential mineral elements, the lack of which effects many body functions. The body then puts these minerals to work where and how it needs them and it simply functions better!

Useful during stressful and heavy working periods as well as to regain lost health, this formula is highly recommended for horses of all ages and may be used on a regular, daily basis.

SUGGESTED USE: 1/2–1 teaspoon (2.46–5.4 mL) 1 to 3 times a day. Adjust amount up or down according to weight of horse, as well as need. May be given daily in the morning and/or evening just before eating or with food.

CONTAINS: Stinging nettle leaf, oatstraw leaf/stem, marshmallow root, saw palmetto berry, elecampane root, chicory root, kelp thallus, eleuthero root, chamomile flower, carrot seed, mB!™ Liquid Trace Minerals in a Kosher certified vegetable glycerin/purified water TincTrac® base.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Stinging Nettle Leaf (*Urtica dioica*) is one of the richest sources of essential mineral salts known and is especially good for developing bones, muscles, nerves and skin.

- Oatstraw Leaf/Stem (*Avena sativa*) is high in silica, and blood and nerve tissue building minerals. It also has a cooling, healing and nutritive to the digestive tract.

- Marshmallow Root (*Althea officinalis*) is soothing and cooling, relieves dry inflammations and irritations of the mucous membranes of the mouth, throat, gastrointestinal tract, and urinary tract, and helps the body to overcome constipation and diarrhea caused by dry, irritated tissues in the body.

- Saw Palmetto Berry (*Serenoa repens*) has been used for centuries to help build tissue mass when depleted.

- Elecampane Root (*Inula helenium*) is a respiratory relaxant, soothes tissues, stimulates digestion and builds pancreatic and liver function.

- Chicory Root (*Cichorium intybus*) is building, cooling, and protecting to the liver.

- Kelp Thallus (*Laminaria digitata*) is a thyroid building herb that is high in iodine, trace minerals, and important minerals such as calcium, iron, vitamin C factors, and proteins; helps to reduce oversized thyroid and lymph nodes.

- Eleuthero Root (*Eleutherococcus senticosus*) is a glandular and immune building adaptogenic tonic that supports recovery, an emotional and nerve balancer, and improves circulation and cholesterol levels.

- Chamomile Flower (*Matricaria recutita*) is a rich source of complex calcium and magnesium salts that also relaxes uptight gastric activity and nerves.

- Carrot Seed (*Daucus carota*) nutritionally supports the digestive system. A small amount is used to support the other herbs in this formula.

- mB!™ is a proprietary micro-fractionated liquid trace mineral supplement made using the exclusive CBN™ Citritol™ process that assists important enzymatic processes. mB!™ adds extra trace minerals to enhance cellular uptake of all minerals and vitamins.

WORKS WELL WITH ALL CEDAR BEAR NATURELES™ EQUINE FORMULAS
