

Equine Hoof, Coat & Skin Care

by CEDAR BEAR NATURALES™

Great Tasting 100% Alcohol-Free Liquid Herbal Products

A Gentle Liver Cleansing Formula That Builds Health from the Inside Out

Equine Hoof, Coat & Skin Care helps to build a solid foundation of health in your horse from the inside out that results in healthy hooves, coats and skin. Many coat and skin problems in horses are liver and digestive system related, so Cedar Bear Naturales™ formulated Equine Hoof, Coat & Skin Care to primarily target and support digestive and liver health.

The herbs in this formula have a gentle liver-cleansing action that works in conjunction with the digestive system and immune system to clean and clear the blood, digestive and hepatic system, and build the overall health of these systems.

Horses have been reported to have astounding results in a very short time from using Equine Hoof, Coat & Skin Care.

This formula is also effective when diluted in warm water and applied topically as a wash or rinse directly on the affected part of the body to help clear up skin problems.

CONTAINS: Burdock root, dandelion root, sarsaparilla root, beet root, calendula flower, Oregon grape root, anise seed, lemon peel, and mB!™ Liquid Trace Minerals in a Kosher certified vegetable glycerin/purified water TincTract® base.

NOTE: Not recommended during acute bloating, colic, bowel obstruction, or during pregnancy.

SUGGESTED USE: 1/2–1 teaspoon (2.46–5.4 mL) for a medium sized horse each time taken, 1 to 3 times a day, or as needed. Adjust amount used up or down according to horse's size, weight and need.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Burdock Root (*Arctium lappa*) is a blood conditioning and building herb with a soothing and healing effect on the stomach and a gentle diuretic action that helps skin and hair conditions from within by "cleaning" the blood.

- Dandelion Root (*Taraxacum officinale*) promotes digestive secretions, is a mild liver cleanser and blood conditioner and helps reduce skin problems through its cleansing action, similar to burdock root.

- Sarsaparilla Root (*Smilax aristolochiifolia*) is a general bitter aromatic tonic herb with blood cleansing and modifying action that also increases digestive secretions and supports liver health.

- Beet Root (*Beta vulgaris*) has an effective protein-digesting enzyme precursor, is high in minerals, builds the blood, balances digestive pH dynamics, and tonifies the digestive system.

- Calendula Flower (*Calendula officinalis*) is a mild liver tonic that reduces over-secretion of bile and has a gentle liver and lymphatic cleansing action. It also cools and heals the tissues of the digestive tract. Often used externally for skin conditions, internal use is beneficial through its cleansing action

- Oregon Grape Root (*Berberis aquafolium*) contains beribine and hydrastine, which stimulate and rebuild digestive processes and have liver cleansing and immune stimulating qualities (similar to goldenseal, but gentler on the immune system).

- Anise Seed (*Pimpinella anisum*) has a gentle cooling and soothing action on the stomach, stimulates appetite, clears systemic congestion and gas, and is mildly anti-spasmodic and liver cooling.

- Lemon Peel (*Citrus limon*) is a powerful liver tonic through aromatic agents and citrus flavonoids, and helps to re-establish the pH buffering system of the stomach and stimulates gastric digestive processes.

- mB!™ is a proprietary micro-fractionated liquid trace mineral supplement that assists important enzymatic processes.

WORKS WELL WITH THESE CEDAR BEAR NATURALES™ EQUINE FORMULAS:

Equine Anxiety Away!™, Equine Arth•Joint Aid™, Equine Daily Use & Recovery, Equine Digest•Aid, Equine Kidney•Aid, Equine Liver Antioxidants, Equine Parasite Management.
