

Equine Kidney•Aid™

by CEDAR BEAR NATURELES™

Great Tasting 100% Alcohol-Free Liquid Herbal Products

Gently Builds Kidney and Urinary Functions

Just like with people, the kidneys are the key to the elimination of toxins from a horse's body. The kidney/urinary tract is an important part of keeping the internal organs, tissues, and skin clean, clear, and functioning at their best. When working properly, the kidneys remove excess water, salts and waste products from the body and return all but a small amount back into circulation. They also keep necessary minerals, especially potassium, from being washed out of the body in the urine.

When this vital part of the body is compromised in any way, many kinds of health problems arise. The strength of the kidneys determines part of a horse's ability to resist illnesses and the overall function of the immune system. Some of the problems that can arise from weak kidney function are non-specific pain, general fatigue and continuous exhaustion, wheezing and shortness of breath, reproductive function problems, water retention, poor appetite, dry skin, problems with spine and hindquarter function, bone strength and development, and body temperature regulation.

Formulated especially for horses, Equine Kidney•Aid by Cedar Bear Naturales™ is a valuable formula that helps to correct kidney/bladder function, reduce undue water retention, re-establish proper fluid dynamics throughout the body, and helps tonify the kidney/urinary system.

The combination of herbs in Equine Kidney•Aid gently builds kidney and urinary functions without being irritating or stressing, as well as having an antiseptic action on the urinary tract that helps reduce tendencies towards inflammations.

SUGGESTED USE: 1/2–1 teaspoon (2.46–5.4 mL) for a medium sized horse each time taken, 2 to 3 times a day. Adjust amount used up or down according to horse's weight and need. Use once daily for maintenance after crisis is over.

NOTE: If horse is on prescription medications, consult veterinarian before using this product. Not recommended for pregnant horses.

CONTAINS: Cleavers leaf/stem/flower, European elder flower, dandelion leaf, cornsilk, juniper berry, parsley leaf, sweet goldenrod leaf/stem/flower, and mB!™ Liquid Trace Minerals in a Kosher certified glycerin/water TincTract® base.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Cleavers Leaf/Stem/Flower (*Galium aparine*) is high in potassium and calcium and has an aromatic component that gently stimulates diuretic action. This herb is a lymphatic cleanser and blood purifier and for centuries has been used widely as a spring cleansing tonic in Europe.

- European Elder Flower (*Sambucus nigra*) Stimulates circulation, encourages sweating, and is high in vitamin C.

- Dandelion Leaf (*Taraxacum officinale*) is very high in complex potassium salts, builds kidney tissues, and has a cooling diuretic action that soothes the very stimulating action of juniper berry. This herb helps replace potassium that is often lost in cases of frequent urination, and is also building to the liver and digestive systems.

- Cornsilk (*Zea mays*) is specifically healing for urinary tract mucous membranes and is mildly diuretic with a sustained yet mild action. High in potassium, magnesium salts.

- Juniper Berry (*Juniperus communis*) contains an antiseptic and disinfecting aromatic component and has natural antioxidant vitamin C action. Stimulates kidney and bladder activity. Used to reduce urinary inflammations and irritations and to clear acid wastes from the system.

- Parsley Leaf (*Petroselinum crispum*) Supports absorption of the nutritional compounds in this formula. Parsley is especially supportive of the urinary system. Contains high levels of calcium, iron, magnesium, potassium, and vitamins A and C.

- Sweet Goldenrod Leaf/Flower (*Solidago odora*) Reduces respiratory congestion, and nausea, is antiseptic and anti-inflammatory. A kidney/urinary system tonic, reduces the mass of kidney obstructions, and strengthens veins.

- mB!™ is a proprietary micro-fractionated liquid trace mineral supplement made using the exclusive CBN™ Citritol™ process and enriches and assists important enzymatic processes.

WORKS WELL WITH THESE CBN FORMULAS:

Equine Immune Booster, Equine Daily Use & Recovery, Equine Liver Protector-Antioxidants, Equine Lymphati•Clear™

ITEM: #769–4 oz; #770–8 oz
