Great Tasting 100% Alcohol-Free Liquid Herbal Products

Lymphatic Congestion Clearing Herbal Formula for Horses

The lymphatic system is the “great ocean of the body.” Lymphatic fluids flow through all cells, in essence “washing” body tissues, and remove toxins and metabolic wastes from them to be expelled from the body. The lymph glands are a major part of the immune systems’ function and swell up when immune action is present during a health crisis.

When the lymphatic system gets overwhelmed, it becomes congested, causing an increase in symptoms and length of illnesses. Sometimes the congestion lasts and can become chronic and can be the root of many health problems that may become chronic.

Equine Lymphati•Clear™ is a lymph clearing, infection fighting, and immune enhancing formula. It acts to decongest the lymphatic system and helps reduce lymph node inflammation while supporting the clearing of chronic as well as acute congestion from the body, working to clear up deep congestion. Think of Equine Lymphati•Clear™ as a “master blaster” that blasts congestion from the lymphatic system for a speedier recovery, leading to better health.

Equine Lymphati•Clear™ is very effective for preventing and reducing lymph node swellings, as well as general lymph node management.

CONTAINS: Cleavers leaf/stem, red root bark, echinacea purpurea root and aerial parts, elderberry, blue vervain leaf, yarrow flower, myrrh gum resin, thyme leaf, mB!™ Liquid Trace Mineral base in a Kosher vegetable glycerin/purified water TincTract® base.

SUGGESTED USE: 1/2–1 teaspoon (2.46–5.4 mL) for a medium sized horse each time taken, 1 to 3 times a day, or as needed. Adjust amount used up or down according to horse’s size, weight and need.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Cleavers Leaf/Stem/Flower (*Galium aparine*) is a lymphatic system and urinary tract clearing herb that is detoxifying, diuretic and lymphatic cleansing; helps to clear skin problems, drain toxins from the body.

- Red Root Bark (*Ceanothus Americanus*) is an astringent herb that is strongly lymphatic decongesting, particularly for reducing lymph node swelling, with an anti-inflammatory effect on the entire lymphatic system. It is also

expectorant and antispasmodic and helps to reduce fever, colds and chills.

- Echinacea Root and Aerial Parts (*Echinacea purpurea*) stimulates the production of immune system cells and activates them. Echinacea purpurea is specifically used for supporting the respiratory tract, and to strengthen the body from reduced resistance.

- European Elder Berry (*Sambucus nigra*) works as an immune tonic with strong flavonoid components and is high in vitamin C and complex potassium salts that assist the body in overcoming congestion in the lymphatic system.

- Blue Vervain Leaf (*Verbena hastata*) has a profound relaxing action on the nervous system. Has anti-inflammatory and diuretic action, brings down fevers and lung congestion, helps the body resist infection and supports liver function.

- Yarrow Flower (*Achillea millefolium*) helps to reduce fevers, break up systemic congestion and stimulate the immune system. It is disinfecting to the upper respiratory tract, and helps to clear liver and gallbladder congestion.

- Myrrh Oleo-Gum-Resin (*Commiphora molmol*) is astringent, antiseptic, diuretic, and expectorant, and helps to clear congestion from the lymphatic system.

- Thyme Leaf (*Thymus vulgaris*) has a very strong antibacterial activity that acts on the gastrointestinal tract and also draws excess fluids that harbor germs out of congested respiratory systems.

- mB!™ is a proprietary, micro-fractionated liquid trace mineral made using the exclusive CBN™ Citritol™ process enriches and assists important enzymatic processes.

WORKS WELL WITH THESE CEDAR BEAR NATURELES™ EQUINE FORMULAS:

Equine Arth•Joint Aid™, Equine Digest•Aid, Equine Hoof Coat & Skin Care, Equine Immune Booster™, Equine Liver Antioxidants™, Equine Parasite Management,.
