

Equine Stomach Ease

by CEDAR BEAR NATURALES™

Great Tasting 100% Alcohol-Free Liquid Herbal Products

Stomach Aid Herbal Formula That Reduces Flatulence and Gas

Equine Stomach Ease is a digestive aid herbal formula that soothes digestive tissues, helps reduce flatulence and gas, and benefits overall digestion. 100% totally alcohol-free and made from whole herb parts, even the most finicky of horses will love this great tasting herbal formula. The herbs in this formula effectively calm general nervous digestion problems and help with the following needs:

FLATULENCE AND COLIC

Abdominal pain, swelling, and the passing of gas happen when digestive processes are disturbed or incomplete. Equine Stomach Ease helps reduce both flatulence and colic. Flatulence is that buildup of gas in the bowels that when it passes, whether noisily or silently, leaves unpleasantly potent smells in the air. Colic is the bloated discomfort caused by gas caught in the intestines that has not been passed. While colic can become a serious life threatening health hazard in horses.

BOWEL IRRITABILITY

Inflammation in the lower bowels, both acute and chronic, responds well to the herbs in this formula. Soothing to irritated colon and intestines, the herbs in Equine Stomach Ease help reduce inflammation and support bowel response. Also recommended is Equine Digest•Aid.

APPETITE ENHANCER

This formula helps to increase appetite and desire to eat in horses that are "off their feed". Helpful for animals that have lost weight from illness to recover their appetite. Also recommended

CONTAINS: Ginger root, peppermint leaf, fennel seed, mB!™ Liquid Trace Minerals in a Kosher vegetable glycerin/purified water TincTract® base.

SUGGESTED USE: 1/2–1 teaspoon (2.46–5.4 mL) for a medium sized horse each time taken, 1 to 3 times a day, or as needed. Adjust amount used up or down according to horse's size, weight and need.

NOTE: May be used during pregnancy, but in reduced amounts.

MORE ABOUT THE HERBS IN THIS FORMULA:

Ginger Root (*Zingiber officinale*) is a digestive tonic herb that gently stimulates the entire digestion process. Used to reduce motion sickness, flatulence, heartburn, nausea, anti-inflammatory. Soothes the bowels. Ginger is also known as a cardiotonic herb that builds the cardiovascular system.

Peppermint Leaf (*Mentha piperita*) is a digestive tract tonic that reduces colic, stomach acids and gas. It is antispasmodic, anti-inflammatory, calming to the stomach and intestinal tract, effectively reduces nausea, and vomiting, increases bile flow, and generally aids digestion. Also an appetite stimulant and reduces bowel irritability. Antibacterial properties and also cleanses the liver, pancreas, gallbladder. Helps stabilize digestive processes, reduces inflammation in the intestines.

Fennel Seed (*Foeniculum vulgare*) one of the best herbs to use to soothe the stomach, fennel reduces stomach acids, flatulence, gas, and colic. Also anti-inflammatory, antispasmodic and appetite stimulant, finicky dogs and cats love the taste. Good for irritable bowels that tend to have bouts of diarrhea or gassiness. Reduces bad breath.

• mB!™ is a proprietary micro-fractionated liquid trace mineral supplement made using the exclusive CBN™ Citritol™ process that enriches and assists important enzymatic processes.
