

# Pet's Anti-Parasite

by CEDAR BEAR NATURELES®

Great Tasting 100% Alcohol-Free Liquid Herbal Products

## CLEAR OUT YOUR PET'S INTESTINAL PARASITES GENTLY AND NATURALLY

Let's face it, even though parasites are not a favorite subject, pet owners have to deal with them all the time. Intestinal parasites damage a pet's coat, digestive system and overall health. If your pet goes outside or lives outside, it's a sure thing that it picks up parasites now and again. Not only do internal parasites cause havoc with a pet's health, but when the pet is infected, it puts family members at risk, as well.

Instead of using medicines that poison parasites to kill and get rid of them that can negatively effect your pet's long-term health, try a gentle herbal approach, instead.

Pet Anti-Parasite by Cedar Bear Naturales® is a well-crafted blend of anti-parasitic herbs that targets a wide range of parasites. It helps neutralize and expel unwanted intestinal parasites and has a stimulating alterative digestive action that therapeutically changes and moderates the environment of the digestive system, allowing beneficial flora to flourish. In simple words, this formula improves your pet's health while gently getting rid of internal parasites.

An added benefit is that not only does this product have strong parasite clearing actions, it also calms many pets down! Often, a pet's problems of nervousness and inability to settle down can be traced to gastrointestinal and hepatic parasite infestation.

Pet Anti-Parasite is best given first thing in the morning on an empty stomach. Withhold food for about an hour. (This formula may be placed in food, but it works more powerfully and quickly when taken on an empty stomach.) This formula can also be given on an occasional basis as a preventative measure to strengthen the digestive system and to discourage parasites from even making themselves at home in your pet.

**CONTAINS:** Orange peel, black walnut hull, English lavender flower, European pennyroyal leaf/stem/flower, wormwood leaf/stem, gentian root, clove bud, tansy leaf/stem/flower, mB!™ Liquid Trace Minerals in a purified water/kosher vegetable glycerin TincTract® base.

**SUGGESTED USE:** 1/2 teaspoon on an empty stomach (2.46 ml) for a pet weighing 25–50 pounds, 2 to 3 times a day for 1 month. Give a 2 week break, then use for an additional 2–4 weeks. Adjust amount up or down according to size of pet.

**NOTE:** Not recommended during pregnancy, or when active stomach ulcers are present. Not recommended for horses. Use Equine Anti-Parasite for Horses, instead.

Parasite cleansing requires three steps for completion:

1. Use Pet's Anti-Parasite formula twice daily for two to four weeks or until symptoms of parasite infestation pass.
2. Stop giving the formula for one or two weeks, then
3. Follow up with another round of Pet's Anti-Parasite for another two to four weeks.

**MORE ABOUT THE HERBS IN THIS FORMULA:**

- Orange Peel (*Citrus sinensis*) an aromatic-based parasite clearing, digestive system aid.
- Black Walnut Hull (*Julans nigra*) have a highly effective parasite clearing action throughout the body. They are also an effective blood purifier.
- English Lavender Flower (*Lavandula angustifolia*) relaxes the nervous system and has a strong parasite clearing quality that also cuts the bloating and acrid belching that tend to occur with a parasite cleanse.
- European Pennyroyal Leaf/Stem/Flower (*Mentha pulegium*) not only helps to clear parasites, but also reduces flatulence, intestinal spasms, and nausea that often accompany intestinal parasites.
- Wormwood Leaf/Stem (*Artemisia absinthium*) works to expel a broad spectrum of parasite intestinal worms from the body and has a strong cleaning action on the intestinal tract.
- Gentian Root (*Gentiana lutea*) strengthens the digestive tract, has a cleaning effect that expels parasites, and is also a general blood cleanser.
- Clove Bud (*Syzygium aromaticum*) is high in an aromatic anodyne that has a strong effect on parasites.
- Tansy Leaf/Stem/Flower (*Tanacetum vulgare*) has been used for many centuries to expel intestinal worms and to aid digestion with strong aromatic digestive stimulating qualities.

• mB!™ is a proprietary micro-fractionated liquid trace mineral supplement made using the exclusive CBN™ Citritol™ process that assists important enzymatic processes.

Works Well With These Cedar Bear Naturales® Formulas:
