

Pet's Breeder Support

by CEDAR BEAR NATURALES®

Great Tasting 100% Alcohol-Free Liquid Herbal Products

Supports Healthy Pregnancy, Labor, Post Delivery Recovery and Lactation

Pets need extra nutrition to produce beautiful, healthy offspring and to be healthy and strong themselves, especially those used in purebred breeding programs. Cedar Bear Naturales™ has specially formulated this nutritionally dense mineral and vitamin rich herbal formula to keep major mineral levels high in the mother while also supporting the development of strong, healthy offspring.

During pregnancy, female pets need extra help to keep and sustain high blood levels of uterine-specific minerals that build, strengthen and tone reproductive tissues. Cedar Bear Naturales™ Pet's Breeder Support provides these essential minerals in rich supply. This special formula contains uterus and capillary toning herbs that help prepare the uterine and birth canal tissues for an easier labor.

This is a gentle formula that can be used throughout an animal's pregnancy, beginning shortly after the pregnancy begins. It is excellent for continued use after delivery to re-tone the reproductive system and for supporting milk production.

Pet's Breeder Support formula is not only for the mother's health, but for the developing offspring, as well. Mineral deficiencies in mothers not only can lead to problems for their own bodies, but the same mineral deficiencies in a developing offspring can contribute to a wide range of underdeveloped body systems problems (especially of the brain/nerves and respiratory systems), as well as weakened immune response with resultant allergies and sensitivities. It is recommended to also take Cedar Bear Naturales™ Daily Maintenance throughout the pregnancy to provide other essential minerals and micronutrients vital to healthy pregnancy and offspring.

CONTAINS: Raspberry leaf, elecampane root, beet root, horsetail leaf/stem, oatstraw leaf/stem, partridge berry leaf/stem/flower and *mB!*™ Liquid Trace Minerals in a Kosher certified glycerin/purified water TincTract® base.

SUGGESTED USE: For a pet weighing 8–25 pounds, use 1/4 teaspoon (1/23 mL) 1 to 3 times a day, or as needed. Adjust amount up or down according to size of pet and need. May be given with food.

NOTE: Not recommended during first 1/3rd period of pregnancy. Not to be taken by animals with a history of pregnancy problems without the advice of a qualified veterinarian or health practitioner.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Raspberry Leaf (*Rubus idaeus*) supports uterine strength, eases and speeds delivery, enriches milk supply and reduces nausea. This herb is a uterine building tonic and can be taken throughout pregnancy in small amounts and builds the tissue integrity of the gastrointestinal tract, respiratory tract, and cardiovascular system.
- Elecampane Root (*Inula helenium*) builds both pancreatic and liver functions, soothes the stomach, relieves gas, and enhances bile production.
- Beet Root (*Beta vulgaris*) builds the blood, helps harmonize digestive pH dynamics, and tonifies the tissues of the digestive system.
- Horsetail Leaf/Stem (*Equisetum arvense*) is one of the richest sources of silica known, used for building bones, teeth, nails, hair and skin tone.
- Oatstraw Leaf/Stem (*Avena sativa*) is also high in silica, as well as blood and nerve tissue building minerals and is healing and nutritive to the digestive tract.
- Partridge Berry Leaf/Stem/Flower (*Mitchella repens*) strengthens the uterus for delivery and helps to regulate the strength of contractions, helps to clear up internal infections, supports the urinary system and reduces upset stomach.
- *mB!*™ is a proprietary micro-fractionated liquid trace mineral supplement made using the exclusive CBN™ Citritol™ process that enriches and assists important enzymatic processes essential to healthy pregnancy.

WORKS WELL WITH THESE CEDAR BEAR NATURALES™ PET'S FORMULAS:

Pet's Antioxidants, Pet's Daily Maintenance, Pet's Coat & Skin Care, Pet's Anxiety Away!™.
