

# Pet's Coat & Skin Care

by CEDAR BEAR NATURALES®

Great Tasting 100% Alcohol-Free Liquid Herbal Products

## Building Healthy Coat and Skin From the Inside Out

You've heard the saying "beauty is only skin deep." Well, it's true! To build true health of the skin and coat like you want your pet to have, it's not enough to have good shampoos. Healthy coats and skin begin deep within, in the digestive and hepatic systems of your pet's body.

Pet's Coat & Skin Care helps to build a solid foundation of health in your pet from the inside out that results in healthy skin and hair/fur. Many coat and skin problems in pets are liver and digestive system related, so Cedar Bear Naturales® formulated Pet's Coat & Skin Care to primarily target and support digestive and liver health. The herbs in this formula have a gentle liver-cleansing action that works in conjunction with the digestive system and immune system to clean and clear the blood, digestive and hepatic system, and build the overall health of these systems.

Dogs, cats, and even horses have been reported to have astounding results in a very short time from using Pet's Coat & Skin Care.

This formula is also effective when diluted in warm water and applied topically as a wash or rinse directly on the affected part of the body.

**SUGGESTED USE:** 1/3 teaspoon (2 ml) for a pet weighing 15–30 pounds 1 to 3 times a day. Adjust amount up or down according to size and weight of pet, as well as need.

For best results with internal use, give to pet empty stomach, and don't let pet eat for at least an hour after taking product. May be given with food, but results take more time to show. Give two to three times a day for reducing coat/skin problems, once a day for maintenance support.

**CONTAINS:** Burdock root, dandelion root, sarsaparilla root, beet root, calendula flower, Oregon grape root, anise seed, lemon peel, and *mB!*™ Liquid Trace Minerals in a kosher vegetable glycerin/purified water TincTract® base.

**NOTE:** Not recommended during acute bowel obstruction or during pregnancy.

### MORE ABOUT THE HERBS IN THIS FORMULA:

- Burdock Root (*Arctium lappa*) is a blood conditioning and building herb with a soothing and healing effect on the stomach and a gentle diuretic action that helps skin and hair conditions from within by "cleaning" the blood.

- Dandelion Root (*Taraxacum officinale*) promotes digestive secretions, is a mild liver cleanser and blood conditioner and helps reduce skin problems through its cleansing action, similar to burdock root.

- Sarsaparilla Root (*Smilax aristolochiifolia*) is a general bitter aromatic tonic herb with blood cleansing and modifying action that also increases digestive secretions and supports liver health.

- Beet Root (*Beta vulgaris*) has an effective protein-digesting enzyme precursor, is high in minerals, builds the blood, balances digestive pH dynamics, and tonifies the digestive system.

- Calendula Flower (*Calendula officinalis*) is a mild liver tonic that reduces over-secretion of bile and has a gentle liver and lymphatic cleansing action. It also cools and heals the tissues of the digestive tract. Often used externally for skin conditions, internal use is beneficial through its cleansing action.

- Oregon Grape Root (*Berberis aquafolium*) contains beribine and hydrastine, which stimulate and rebuild digestive processes and have liver cleansing and immune stimulating qualities (similar to goldenseal, but gentler on the immune system).

- Anise Seed (*Pimpinella anisum*) has a gentle cooling and soothing action on the stomach, stimulates appetite, clears systemic congestion and gas, and is mildly antispasmodic and liver cooling.

- Lemon Peel (*Citrus limon*) is a powerful liver tonic through aromatic agents and citrus flavonoids, and helps to re-establish the pH buffering system of the stomach and stimulates gastric digestive processes.

- *mB!*™ is a proprietary micro-fractionated liquid trace mineral supplement that assists important enzymatic processes.

### WORKS WELL WITH THESE CBN™ PET FORMULAS:

Pet Anti-Oxidants, Pet Anti-Parasite, Pet's Anxiety Away!™, Pet Arth•Joint Aid™, Pet Daily Maintenance, Pet Digest•Aid, Pet's Kidney•Aid.
