

Pet's Daily Maintenance

by CEDAR BEAR NATURELES®

Great Tasting 100% Alcohol-Free Liquid Herbal Products

An Herbal Formula for Daily Vitamin/Mineral Replenishment

Mineral deficiency is at the bottom of many health and behavioral problems that pets experience. It takes a wide range of major and trace minerals to build and maintain healthy bodies, minerals that aren't readily available in most pet's diets.

Like humans, our pets need a daily dietary major mineral and trace mineral supplement, and Pet's Daily Maintenance fits the bill perfectly as a daily-use herbal formula that is one of the richest herbal sources of easily assimilated essential vitamins and minerals available. It is high in calcium, magnesium, potassium, silicon, manganese and many other additional vitamins and minerals necessary for building and maintaining general immunity, vitality, energy, and a healthy body, along with over 70 trace minerals essential to optimal health.

Pet's Daily Maintenance helps your pet develop strong teeth and bones and reduces possible development of structural problems. The minerals in this formula also help build resistance to disease and speed healing of injuries, often helps reduce overactive behavior, works to rebuild and balance the stomach's delicate pH buffering system, as well as greatly benefiting the health of older pets.

The reason that such a wide variety of positive results are being reported is because this all natural whole herb liquid nutritional supplement supplies a wide variety of easily assimilated essential mineral elements, the lack of which effects many body functions. The body then puts these minerals to work where and how it needs them and it simply functions better!

This formula is highly recommended for pets of all ages and may be used on a regular, daily basis.

CONTAINS: Alfalfa leaf, oatstraw leaf/stem, stinging nettle leaf, horsetail leaf/stem, raspberry leaf, yarrow flower, peppermint leaf, chamomile blossom, dill weed leaf/stem, and *mB!*™ Liquid Trace Minerals in a kosher vegetable glycerin/purified water TincTract® base.

SUGGESTED USE: 1/3 teaspoon (2 ml) for a pet weighing 15–30 pounds 1 to 3 times a day. Adjust amount up or down according to size and weight of pet, as well as need. May be given in the morning and/or evening just before eating or with food. May be used daily.

NOTE: Not recommended for horses. Use Equine formula Build-A-Body™ instead.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Alfalfa Leaf (*Medicago sativa*) is rich in the major minerals (calcium, magnesium, phosphorus, and potassium), trace minerals, all known vitamins, and is high in protein.
- Oatstraw Leaf/Stem (*Avena sativa*) is high in silica, and blood and nerve tissue building minerals. It also has a cooling, healing and nutritive to the digestive tract.
- Stinging Nettle Leaf (*Urtica dioica*) is one of the richest sources of essential mineral salts known and is especially good for developing bones, muscles, nerves and skin.
- Horsetail Leaf/Stem (*Equisetum arvense*) is one of the richest sources of silica known, necessary for building bones, teeth, nails, hair and skin tone.
- Raspberry Leaf (*Rubus idaeus*) is a high source of potassium and magnesium, essential to the respiratory, heart and reproductive systems, and is rich in organic acids that support the soft muscles of the body.
- Yarrow Flower (*Achillea millefolium*) is high in calcium, magnesium and phosphorus, cleanses and supports the liver's ability to efficiently utilize minerals, and enhances immunity.
- Peppermint Leaf (*Mentha x piperita*) has a rich amount of complex potassium salts that help build cellular integrity and aids in the efficient uptake of potassium.
- Chamomile Blossom (*Matricaria recutita*) is a rich source of complex calcium and magnesium salts that also relaxes uptight gastric activity and nerves.
- Dill Weed Leaf/Stem (*Anethum graveolens*) is a digestive aid that enhances digestive processes. Peppermint, chamomile and dill weed work together to maintain the stomach's pH buffering system for general nutrient and mineral absorption.
- *mB!*™ is a proprietary micro-fractionated liquid trace mineral supplement made using the exclusive CBN™ Citritol™ process that assists important enzymatic processes. *mB!*™ adds extra trace minerals to enhance cellular uptake of all minerals and vitamins.

Pet's Daily Maintenance works well with all other formulas in the Cedar Bear Naturales® Pet's Product Line.
