

Pet's Herbal Detox

by CEDAR BEAR NATURELES®

Great Tasting 100% Alcohol-Free Liquid Herbal Products

Clears Environmental, Chemical, and Vaccination Toxins From Tissues

Many of us know that exposure to toxic chemicals makes our pets sick, but what we may not realize is that when environmental toxins and chemical poisons settle in our pet's body tissues, they continue to negatively effect their health, sometimes subtly, sometimes in drastic ways. Often, many pet's health imbalances that have no apparent cause are actually caused by toxins and foreign substances that, instead of being expelled from the body, have become absorbed and stored within it. Outdoor pesticides and chemical fertilizers affect our pets' health, while toxins from vaccines further challenge their immune systems.

Now there is a natural, great tasting liquid whole herb formula for pets that has been developed specifically for clearing environmental, vaccine, and toxic residues from the blood and even from deep within body tissues. Pet's Herbal Detox works to purify the blood, protect and support organs that are often negatively effected by toxicity, and to protect the body from further damage. This formula helps protect the liver and assists with liver function for efficient removal of systemic waste and absorbed toxins.

This formula is high in antioxidants, which clears free radicals from the blood. (Free radicals are unbalanced molecules that damage health and cause illness and aging.) and high in a broad spectrum of major and trace minerals that are essential to the body and is recommended to use after vaccinations and toxin exposure, also when malaise and chronic immune problems are present. It also helps to clear and protect the liver.

CONTAINS: Sarsaparilla root, European elder berry, chicory root, milk thistle seed, lemon peel, sweet goldenrod leaf/stem/flower, black walnut hull, burdock root, sage leaf, yellow dock root, yarrow flower, chaparral leaf, usnea lichen, goldenseal root and mB!™ Liquid Trace Minerals in a kosher glycerin/purified water Tinctract® base

SUGGESTED USE: For Detoxification Program: 1/2 teaspoon (2.46 ml) for an 15–30 pound animal 3 to 4 times/day for one to three months. For Maintenance Use: 1/3–1/2 teaspoon (2–2.46 ml) 1 to 3 times a day. Adjust amount up or down according to size of animal and need.

NOTE: Do not give to pregnant animals.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Sarsaparilla Root (*Smilax aristolochiifolia*) is a general bitter tonic that works as a powerful blood purifier and clears out toxins from fatty tissues and, some have theorized, the bone marrow.

- European Elder Berry (*Sambucus nigra*) detoxifies through mild laxative and diuretic actions for clearing of fluids from the body. Adds necessary potassium, calcium, organic iron,

flavonoids, vitamin C.

- Chicory Root (*Chicorium intybus*) is diuretic, anti-inflammatory, laxative, a liver builder and protector with a slight liver cleansing action.

- Milk Thistle Root (*Silybum marianum*) protects liver cells, is antioxidant, and helps reduce non-specific inflammation in the hepatic system. The most well known of all herbs for detoxifying and supporting the liver; promotes bile production.

- Lemon Peel (*Citrus limon*) has high levels of citroflavonoids that affect the permeability of the vascular system and assists in clearing toxic residues from the body. Its vitamin C factors act as an antioxidant, clearing bloodstream of free radical cells.

- Sweet Goldenrod Leaf/Stm/Flwr (*Solidago odora*) is diuretic, inflammatory, helps clear toxic buildup and blockages in kidneys.

- Black Walnut Hull (*Juglans nigra*) is one of the richest sources of land-based iodine known, supports the thyroid, and works as an effective blood and lymph purifier.

- Burdock Root (*Arctium lappa*) is a blood-purifying and diuretic herb that assists in elimination of waste and toxic materials, soothes stomach tissues, and protects the liver.

- Sage Leaf (*Salvia officinalis*) is an astringing tonic that works with the immune responses of the liver.

- Yellow Dock Root (*Rumex crispus*) is an effective blood conditioner that helps clear the nasal passages and respiratory tract.

- Yarrow Flower (*Achillea millefolium*) breaks up systemic congestion, stimulates immune action, is strongly liver cleansing and astringing and disinfecting to the upper respiratory tract.

- Chaparral Leaf (*Larrea tridentata*) is a blood purifier and liver cleanser that also has strong antioxidant action in the body.

- Usnea Lichen (*Usnea barbata*) has strong and effective antimicrobial action.

- Goldenseal Root (*Hydrastis canadensis*) is a powerful immune stimulating herb with astringent qualities towards the mucous membranes, helping to pull toxins from affected tissues.

- mB!™, a proprietary, microfractionated liquid trace mineral made using the exclusive CBN™ Citritol™ process.
