

Cholestero•Balance™

by CEDAR BEAR NATURALES®

Great Tasting 100% Alcohol-Free Liquid Herbal Products

BALANCE CHOLESTEROL NATURALLY!

Finally! An all-natural, whole herb liquid product that helps to balance healthy cholesterol levels in the body. And it tastes good!

Since HDL cholesterol (high density lipoproteins) is essential for healthy heart function, all elimination of cholesterol is not possible or even desirable. What is necessary is to bring down harmful LDL levels (low density lipoproteins) and to bring up beneficial HDL levels. This is what we call a healthy cholesterol balance.

The herbs in Cholestero•Balance™ work to support the structure and function of the cardiovascular system and help to reduce levels of LDL cholesterol and triglycerides in the bloodstream and reduce the stickiness of platelets in the blood. This formula also helps improve the strength of blood vessel walls, improve the flow of blood through the body, provide antioxidant protection specific to the cardiovascular system, and block oxidation damage by LDL cholesterol in the bloodstream.

Cholestero•Balance™ modifies immune responses to vascular imbalances and is a powerful liver aid that assists in clearing and returning the liver's cholesterol moderating/managing functions back to normal.

CONTAINS: Evening primrose leaf/stem/flower, chicory root, artichoke leaf, shepherd's purse leaf/stem/flower, alfalfa leaf, shiitake mushroom, oyster mushroom, olive leaf, milk thistle seed, beet root, yarrow flower, ginkgo leaf, hawthorn berry, European elder berry, horsetail leaf/stem, ginger root, hawthorn leaf, bilberry fruit, bilberry leaf, blueberry leaf and mB!™ Liquid Trace Minerals in a kosher certified vegetable glycerin/purified water TincTract® base.

SUGGESTED USE: 1/2–2/3 teaspoon (2.46–4 ml) between meals 2 to 3 times a day for two to four months, 1/3–1/2 teaspoon (2–2.46 ml) one to three times a day thereafter for maintenance. Drink plenty of water while taking this formula.

MORE ABOUT THE HERBS IN THIS FORMULA:

Evening Primrose Leaf/Stem/Flower (*Oenothera biennis*) are high in gamma-linolenic acid and help to keep the arteries clear of plaque through vaso-dilative action and also gently stimulates bile flow.

Chicory Root (*Chicorium intybus*) has lowered cholesterol levels in clinical use and studies and helps the liver and gallbladder.

Artichoke Leaf (*Cynara scolymus*) is a liver tonic and restorative herb that supports digestion, promote bile flow, supports gallbladder, and based on studies, effectively lowers cholesterol levels.

Shepherd's Purse Leaf/Stem/Flower (*Capsella bursa-pastoris*) supports heart health and is known to help blood pressure and lower cholesterol.

Alfalfa Leaf (*Medicago sativa*) contains specific components that block the absorption of cholesterol and prevent and reduce plaque build up in the arteries. Rebuilds cardiovascular integrity and tone.

Shiitake Mushroom (*Lentinus edodes*) and Oyster mushroom (*Pleurotus ostreatus*) are adaptogenic mushrooms that support cellular health and encourage body tissues to properly absorb cholesterol and lower amounts in the bloodstream.

Olive Leaf (*Olea europaea*) supports the health and strength of the heart through its cardiovascular tonic action and helps to keep free-rad-

ical activity (a major contributor to cholesterol plaque) in check.

Milk Thistle Seed (*Silybum marianum*) protects and stimulates liver health and relieves congestion in the liver, spleen and kidneys. Has a powerful bioflavonoid antioxidant that protects the cells of the liver from harmful toxins and helps the liver regulate cholesterol activity.

Beet Root (*Beta vulgaris*) assists in the digestion of proteins and fats and helps to maintain a healthy pH buffering in the digestive system that is essential for the proper utilization of cholesterol.

Yarrow Flower (*Achillea millefolium*) is an overall healer of the body, dilates the arteries and has been shown to help lower cholesterol. Yarrow improves general health of the arteries and cardiovascular system.

Ginkgo Leaf (*Ginkgo biloba*) helps improve circulation, inhibits platelet stickiness, and clears up and prevents circulatory congestion.

Hawthorn Berry (*Crataegus laevigata*) protects the arteries and veins, increases coronary circulation, increases heart strength and reduces cholesterol levels through its antioxidant action in the body.

European Elder Berry (*Sambucus nigra*) is a mild alternative (alters the quality of blood), is high in flavonoids and is very high in important cardiovascular toning potassium salts.

Horsetail Leaf/Stem (*Equisetum arvense*) is very high in silica (tissue strengthening) and bioflavonoids (builds tissue tonicity and flushes toxins from the body), and helps reestablish proper LDL to HDL ratios.

Ginger Root (*Zingiber officinale*) balances cholesterol, cleanses the blood vessels, makes blood platelets less sticky, decreases the absorption of dietary cholesterol, and helps remove excess LDL cholesterol.

Hawthorn Leaf (*Crataegus laevigata*) nourishes the heart, improves coronary blood flow and strengthens contractions of the heart muscle, thus improving circulation throughout the body. Has an antioxidant action in the arteries and balances cholesterol levels.

Bilberry Fruit (*Vaccinium myrtillus*) provides powerful antioxidant action to fight free radical activity and keep the blood healthy, helping to reduce platelet aggregation, strengthens artery and vein walls.

Bilberry Leaf (*Vaccinium myrtillus*) leaves are high in flavonoids and tannins, are astringent and support the gastrointestinal tract and the kidney and urinary tract, and have a dilute cleansing effect on the body.

Blueberry Leaf (*Vaccinium corymbosum*) is similar to bilberry leaf in its properties, except that it contains more calcium ascorbates (whereas bilberry contains more potassium ascorbates).

mB!™ is a proprietary, micro-fractionated liquid trace mineral base made using the exclusive CBN™ Citritol™ process. Trace minerals are an essential part of any cholesterol balancing and plaque control program.

WORKS WELL WITH THESE CBN™ FORMULAS:

Antioxidant Berries Plus™, Brain Booster, Cardio/Heart Smart™, Daily Herbals™ For Your Blood Type, Digestive Build™, Healing Mushrooms™, Herbal Blood Cleanser, Lively Liver Plus™, Memory Plus™, and microBURST!™

Item #713 2 oz; #612 4 oz; #613 8 oz
