Great Tasting 100% Alcohol-Free Liquid Herbal Products

## A DETOXIFYING HERBAL SUPPLEMENT FOR CLEARING TOXINS NATURALLY

Many of us know that exposure to toxic chemicals makes us sick, but what we may not realize is that when environmental toxins and chemical poisons settle in our body tissues, they continue to negatively affect our health, sometimes subtly, sometimes in drastic ways.

Often, many health imbalances that have no apparent cause are actually caused by toxins and foreign substances that, instead of being expelled from the body, have become absorbed and stored within it.

Now there is a natural, great tasting liquid whole herb formula that has been developed specifically for clearing the body of environmental, vaccine, and toxic residues, even from deep within body tissues.

The herbs within Enviro/Chem Detox™ work synergistically together to purify the blood, protect and support organs of the body that are often negatively effected by toxicity, especially the liver, and to protect the body from further damage.

This formula is high in antioxidants, which clear free radicals from the blood, (free radicals are unbalanced molecules that damage health and cause illness and aging), and is also high in a broad spectrum of major and trace minerals that are essential to the body. When these minerals are missing, the body tends to absorb harmful substances to try to counteract the deficiency.

CONTAINS: Sarsaparilla root, European elder berry, chicory root, milk thistle seed, lemon peel, sweet goldenrod leaf/stem/flower, black walnut hull, burdock root, sage leaf, yellow dock root, yarrow flower, chaparral leaf/stem, usnea lichen, goldenseal root, mBI™ Liquid Trace Minerals in a kosher certified vegetable glycerin/purified water TincTract® base.

SUGGESTED USE: For Detoxification Program: 1/2–2/3 teaspoon (2.46–4 ml) 2 to 3 times/day for three to six months for adults. For Maintenance Use: 1/3–1/2 teaspoon (2–2.46 ml) 1 to 3 times a day.

### MORE ABOUT THE HERBS IN THIS FORMULA:

- Sarsaparilla Root (*Smilax aristolochiifolia*) is a general bitter tonic that works as a blood purifier, long used for clearing out toxins in the body. Sarsaparilla has an affinity for clearing fatty tissues and, some have theorized, the bone marrow.
- European Elder Berry (*Sambucus nigra*) adds necessary potassium, calcium, organic iron, flavonoids and vitamin C and helps the detoxification process through its mild laxative action.
- Chicory Root (*Chicorium intybus*) is a liver builder and protector with a slight cleansing and cooling action to the liver.
- Milk Thistle Seed (*Silybum marianum*) protects liver cells,

has a mild antioxidant action, and helps reduce non-specific inflammation in the hepatic system. The most well known of all herbs for detoxifying and supporting the liver.

- Lemon Peel (*Citrus x limon*) has high levels of citroflavonoids that affect the permeability of the vascular system, which assists in clearing toxic residues from the body. Its vitamin C factors act as an antioxidant, clearing bloodstream of free radical cells. It is also cleansing and toning to the liver.

- Sweet Goldenrod Leaf/Stem/Flower (*Solidago odora*) possesses a non-irritating diuretic action that also brings down inflammation throughout the body, especially in the urinary tract. Helps to clear the kidneys of toxic buildup and blockages.

- Black Walnut Hull (*Juglans nigra*) are one of the richest sources of land-based iodine known, supporting the thyroid, and working as an effective blood and lymph purifier

- Burdock Root (*Arctium lappa*) is a blood purifying herb that also has a soothing effect on the tissues of the stomach.

- Sage Leaf (*Salvia officinalis*) is an astringing tonic that works with the immune responses of the liver.

- Yellow Dock Root (*Rumex crispus*) is an effective blood conditioner that helps clear the nasal passages and respiratory tract.

- Yarrow Flower (*Achillea millefolium*) breaks up systemic congestion and stimulates the immune system, is strongly liver cleansing and is astringing and disinfecting to the upper respiratory tract.

- Chaparral Leaf/Stem (*Larrea tridentata*) is a blood purifier and liver cleanser that also has strong antioxidant action in the body.

- Usnea Lichen (*Usnea barbata*) from the lichen family, has strong and effective antimicrobial action.

- Goldenseal Root (*Hydrastis canadensis*) is a powerful immune stimulating herb that is a strong tonic with astringent qualities towards the mucous membranes, helping to pull toxins from affected tissues.

- mBI™, a proprietary, microfractionated liquid trace mineral made using the exclusive CBN™ Citritol™ process.
