

Slim Now!™

by CEDAR BEAR NATURELES®

Great Tasting 100% Alcohol-Free Liquid Herbal Products

An Herbal Weight Loss Support Formula To Help Balance The Scales

Trying to lose weight can be a frustrating and difficult endeavor for many people. That's because the body stores extra fat to protect itself when something is out of balance. Slim Now!™ is a special weight and health balancing formula that is rich in mineral electrolytes, blood sugar balancing components and energizing factors that reduces appetite and snack cravings.

Slim Now!™ contains herbs that help to reduce weight and keep it off when following a weight reduction program. This health support is a totally natural, alcohol-free liquid herbal formula that uses only whole herbs so that you get the most complete benefits possible.

Slim Now!™ helps reduce health problems and common rebound effects often experienced from weight loss, and to assist people who are working to lose weight and maintain weight loss to stay off of the weight loss roller coaster that is so damaging to health.

This formula targets mineral electrolyte replenishment, the balancing of related endocrine activity relative to weight control, and re-establishing proper satiation responses, i.e. the feeling of fullness in the stomach (physical) and the establishing of proper blood level nutrients (chemical).

Slim Now!™ is not meant to increase metabolism artificially or to create an unhealthy diuretic flush that makes one believe they are losing weight when they are merely temporarily losing excess fluids. Used with the other recommended CBN™ products, Slim Now!™ will help you lose weight naturally and healthfully.

CONTAINS: Bladderwrack thallus, chickweed leaf/stem/flower, stinging nettle leaf, black walnut hull, mate' leaf, chicory root, fennel seed, English lavender flower, basil leaf, licorice root, stevia leaf, mB!™ Liquid Trace Minerals, and an special appetite suppressing Aromaceutical™ Blend in a kosher certified vegetable glycerin/purified water TincTract® base.

NOTE: Should not be used by individuals on thyroid medications or medications for high blood pressure without medical supervision. May reduce milk supply for some nursing mothers.

SUGGESTED USE: 1/2–3/4 teaspoon (2.46–4 ml) 20-30 minutes before meals three times a day. Drink plenty of water while taking this formula. May reduce amount after one month.

MORE ABOUT THE HERBS IN THIS FORMULA:

- Bladderwrack Thallus (*Fucus vesiculosus*) is rich in iodine and mineral salts that supports thyroid function and mineral electrolyte replenishment. Effective in benefiting thyroid related weight problems, as well as aiding digestive conditions that often contribute to weight gain. Gives a feeling of fullness through its reestablishment of the mineral electrolyte levels as well as balancing blood levels of electrolytes that are moderated through the kidneys.

- Chickweed Leaf/Stem/Flower (*Stellaria media*) is high in calcium, potassium and saponins. Used to reduce joint inflammation and

as a blood purifier, chickweed flushes toxins and excess fluids.

- Stinging Nettle Leaf (*Urtica dioica*) is very high in tissue building mineral electrolytes with a mild, non-stimulating diuretic action that is best used for those with chronic water retention.

- Black Walnut Hull (*Juglans nigra*) is the highest source of land-based iodine and exhibits a mild appetite suppressant action. It has a strong antiparasite action. It is believed that weight problems are often aggravated by intestinal parasites.

- Mate' Leaf (*Ilex paraguariensis*) is a diuretic that is the gentlest form of natural caffeine known, due to its gentle adrenal stimulating effect, bordering on tonifying.

- Chicory Root (*Chicorium intybus*) is a liver builder and protector, also has anti-viral qualities and a slight cleansing and cooling action to the liver. Chicory also has nutritive qualities.

- Fennel Seed (*Foeniculum vulgare*) is a digestive aid that kicks in the satiation response, helping to curb appetite. Anti-flatulant and helps in re-establishing gastro-intestinal integrity during weight loss.

- English Lavender Flower (*Lavendula angustifolia*) has a relaxing, nerve quality that relaxes the nervous system, is very high in calcium, and is a mild digestive aid for overactive digestion. Lavender possesses a mild anti-parasite benefit, as well.

- Basil Leaf (*Ocimum basilicum*) is an aromatic herb that stimulates mineral electrolyte uptake. A digestive aid for this formula.

- Licorice Root (*Glycyrrhiza glabra*) is a nutritive, soothing, digestive aid and is a gentle adrenal stimulant with strong adrenal tonic properties. It also works as a synergist with fennel in its effect on satiation.

- Stevia Leaf (*Stevia rebaudiana*) helps bring down high blood sugar. Many times sweeter than sugar, may be used by those with insulin problems. Helps to give a sense of fullness.

- mB!™ is a proprietary, microfractionated liquid trace mineral base made using the exclusive CBN™ Citritol™ process to enrich and assist important enzymatic processes essential to this formula.

- Aromaceutical™ Blend: A specially formulated appetite suppressing essential oil blend that enhances the actions of the herbs and assists in mineral electrolyte dynamics throughout the body. Has a settling effect on the stomach to curb hunger and snack binging.

WORKS WELL WITH THESE CBN™ FORMULAS:
